<p style="color: red;">Report all zero putts as a one putt and all four putts or higher as a three putt. Adjust your putt total accordingly.</p>	

1. Do not count any stroke if the ball has not yet reached the putting surface, regardless of whether you used your putter or not.
2. Any ball holed from off the green is a zero putt green.
3. If after your ball reaches the green, it is putted off the green, the next stroke regardless of the club used, counts as a putt.
4. Any stroke of the ball after the ball reaches the putting surface, is considered a putt regardless of the club used.
5. There are ABSOLUTELY NO GIMMIES.
6. A player may use as many different putters as they desire.
7. USGA Rules for equipment and anchoring apply.
8. For purposes of WPL score reporting, all zero putts shall be reported as a one putt and all four putts or more shall be reported as a three putt. Adjust your putt total accordingly.
